

Minutes by: Bjorn

Attendance

Present: Bjorn, Emily, Dayle, Emma, Meagan, Rahim

Absent: Geoff

Updates: *(30/20 min)*

Emma

Trip details finished off for Fall trips. Designed and printed posters. Considering a UVic joint trip. Wrote the newsletter (will now share the newsletter duties with Rahim).

Meagan

Organized welcome back pub night (10 people). Helped at shop (tank numbering). Added imagine day emails to mail chimp. Started planning the following events: movie night, tropical party in late Jan, participation in a beer garden/fair in MacInnes field.

Emily

Designed posters. Started planning the scavenger hunt and other fall events. Did a presentation to her class about the Aqua Society.

Dayle

Started treasurer duties. Emailed PRC (resident advisors) to encourage RA club events. Got a good contact and sent out an email blurb of the club. Sounds hopeful.

Rahim

Typed up some Imagine day emails.

Bjorn

Finished millwork plans for the new dive shop. Set up an event with the graduate student society. Set the price point for RA events (that Dayle is organizing). Set dates for the club dives – December club dive to be “Santa hat” dive.

@ Events

Execs at September club dive: BB, MA, RK

Execs at Imagine DAY: BB, EH, DM, RK, MA, EB

Execs at Wolf and Hound Social: BB, MA, DM, EB

Review of Incomplete Action Items: (20/10 min)

Get executives around during courses. By the **end of September** have **each executive** come in on at least one course to help out and talk about the club side of the Aqua Society. This will be particularly effective for OW and DSD courses. **Bjorn** to let Brendan know about this.

Posters placed around campus at Engineering, EOS, Kaiser, Biology, Sauder, Chem, Sus, Thunderbird/Gage/Vanier/Totem Res by **September 14th** (**Emily, Dayle, Meagan, Rahim**).

Everyone try to come by the shop as much as you can in **September/October** to help out. It can get a bit busy for just one store manager to handle.

New Action Items: (30 min)

The general meeting for the upcoming election (run by **Emily**) is set for September 21st at 6pm. **Everyone** try to make it out.

The next exec meeting is October 10th 6:30 at Bjorn's place. EH is unable to come.

Fliers advertising trips were discussed as a way to get more people aware/interested in coming out on Charters. **Emma** to design fliers for Campbell River trip by **Oct. 5th**.

Day of the longboat is coming up (clinics 22/23, event is 29/30). One general member interested already. Interest on the exec: Meagan, Bjorn, Dayle, (Rahim=maybe), Emily. *8-12 ppl *\$106 total price = ~\$10 each. **Dayle** to coordinate with Brendan to set up the team before the registration deadline on Wednesday **Sept 19th**.

We will look into getting a new TV for teaching, speakers, and movie nights. May purchase it at boxing day. Probably 40" LCD. **Bjorn** to look into it.

Great Canadian shore cleanup is not happening. We will postpone the event and do another cleanup at another time (maybe Cultas lake).

The November club dive will have a Scavenger hunt. **Emily** to come up with the plans (rules) and scavenger card by **Oct 25th**.

Movie night organized by **Meagan** in clubroom Tuesday **Oct. 2nd**. Current idea: Sanctum @ 7pm with microwave popcorn. (find another projector to borrow?)

Event at the aquarium requires at least 10 people for group rate. **Meagan** to find out how many people are interested.
