Ideas:

Another idea that came up was having monthly events for people who just had a dive class. **Something to talk about when going to OW/AOW/DSD courses.**

- Underwater TED talk night! or Planet Earth movie night
- **Emma** to write up guidelines for DMs on trips (and club dives?) –make it known that there is a guided tour option for club dives
- Several great game night ideas were brought up including Trivia Pub night (own or go to a pub) **Fish Bingo**, Jeopardy
- U/W kissing contest club dive at some point
- Larissa's marketing ideas: chalk painting of bus loop, hiding paper fish around campus... If you find one you can redeem it for money off courses/gear (small ones around)
- **AB** wants to do shark week on campus –show shark movies, shark cookies, shark bingo. Shark talk (Chris Harvey Clark) → do it at the beginning of next term
