Membership Agreement (please read, sign and date)

I hereby apply for membership with the UBC Aqua Society of the Alma Mater Society of the University of British Columbia, a club duly constituted with the Alma Mater Society. I agree to abide by all Aqua Society rules and regulations as provided for in the Constitution or that may be set from time to time. I further acknowledge that scuba diving requires specialized training and skills and that 1) I have received appropriate training and am certified as a scuba diver or 2) I am enrolled in an Aqua Society scuba training program, and will use the equipment provided by the Aqua Society only under the direction of the Professional Staff of the Aqua Society. I also acknowledge that scuba diving has inherent risks and that I am solely responsible for my safety while diving outside of an Aqua Society scuba course, and that I will not hold the Aqua Society, the Alma Mater Society, or any other organization liable for my actions. I agree to be fully responsible for the proper care and return of all Aqua Society equipment rented or used and further agree to indemnify the Aqua Society for any loss or damage thereof. Indemnity shall be construed as normal Aqua Society retail price on lost goods or equipment requiring repair. While Aqua Society endeavors to maintain all gear in perfect functioning order, the final responsibility for checking all rented equipment for proper operation remains with the diver. Aqua Society assumes no responsibility for equipment malfunctions and members are required to report any problems with rented gear upon return. Members may be charged for repairs to equipment that they have used if any malfunctions are not properly reported, even if these malfunctions may be due to normal wear. I agree that all Aqua Society goods and services normally provided for members shall be for my personal use only.
